tickets from Dance House Lemesos (€12-€8) 25340618/ 8:30-13:00

This 20 minutes project will be developed in Cyprus. West End is an attempt to celebrate with the necessary and healthy lightness the now likely decline of the West, through revisiting the tradition of Vaudeville and its most meaningful steps. A sparkling and provocative corps de ballet, songs and fragments of dialogue entrusted to performers who are advanced in years.
